Editor's Notes: This Edition of the Charter was proposed by Resolution 94-025, and ratified November 8, 1994. Detailed legislative histories of enactments and amendments before 1949 are included in the 1949 Edition of the "Charter and Public Local Laws of Baltimore City". The reports of the Charter Revision Commissions that drafted the subsequent 1964 and 1994 Revisions are on file in the Library of the Department of Legislative Reference in City Hall.

Charter amendments adopted after the 1994 Revision are identified in parenthesis at the end of the affected section or subsection.

Captions or headings for various subsections have been added for convenience of reference. Like the preexisting headings to sections, these are intended solely for convenience of reference. - (5) Any refunding bonds authorized to be issued and sold under the provisions of this section may be sold at public sale by the solicitation of competitive bids or at private (negotiated) sale without advertisement or solicitation of competitive bids, for a price or prices which may be at, above, or below the par value of the refunding bonds, as determined by resolution of the Board of Finance of the Mayor and City Council of Baltimore. If the Board of Finance determines to sell the refunding bonds at public sale, the refunding bonds shall be sold to the highest responsible bidder or bidders therefor after due notice of such sale, but the Mayor and City Council of Baltimore, acting by and through the Board of Finance thereof, shall have the right to reject any or all bids therefor for any reason.
- (6) Any refunding bonds authorized to be issued and sold under the provisions of this section shall bear interest at such rate or rates as may be determined by the Board of Finance of the Mayor and City Council of Baltimore, which rate or rates may be fixed or variable or as determined by a method approved by the Board of Finance, and such interest shall be payable at such time or times as may be determined by the Board of Finance.
- (7) The proceeds of the sale of any refunding bonds authorized to be issued and sold under the provisions of this section, after the payment of issuance costs relating thereto, shall be set aside by the Mayor and City Council of Baltimore as a separate trust fund to be used solely for the purposes stated in this subsection.

By definition, this requirement applies to but two "political subdivisions" (Baltimore City and Montgomery County) and two "chief executive officers" (the Mayor of Baltimore City and the County Executive of Montgomery County).

§1-108 further provides that a "political subdivision" may retain a Charter residency requirement that is longer than 6 months if that political subdivision "reaffirms the longer ... requirement by enactment of an Ordinance effective no later than 4 weeks prior to the filing deadline specified in Article 33, § 5-303(a) of the {Maryland} Code."

In response to these provisions, the Mayor and City Council enacted Ordinance 99-433, effective June 1, 1999, to "reaffir[m] and retai[n] the residency requirement for Mayor that is imposed by the Baltimore City Charter".

(b) *Term.*

All ordinances or resolutions duly passed by the City Council, after being properly certified by the President of the City Council as having been so passed, shall be delivered by the Clerk of the Council to the Mayor for approval. The date of delivery shall be noted on the ordinances or resolutions and, when approved by the Mayor, they shall become ordinances or resolutions of the City.

(b) *Veto; return to Council.*

If the Mayor does not approve of an ordinance or resolution passed by the City Council, the Mayor shall return it with written objections to the City Council within three actual regular meetings, not more than one of which shall occur in any one calendar week, of the City Council after the delivery of the ordinance or resolution to the Mayor.

Upon receipt, the Mayor's objections shall be read forthwith to the Council and entered on its Journal. After five calendar days, and within twenty calendar days after the ordinance or resolution shall have been returned by the Mayor and received by the Council, the Council shall proceed to reconsider and vote upon it.

If the ordinance or resolution, after reconsideration, shall be again passed by the City Council by a vote of three-fourths of its members, it shall become an ordinance or resolution of the City. In such cases, after the reconsideration, the votes on the question of the passage of the ordinance or resolution over the veto of the Mayor shall be determined by yeas and nays, and the names of the persons voting for and against passage of the ordinance or resolution over the veto of the Mayor shall be entered on the Journal of the City Council.

If an ordinance or resolution duly passed by the City Council shall not be returned by the Mayor to the City Council within three actual regular meetings, no more than one of which shall occur in any one calendar week, after it shall have been delivered to the Mayor, it shall become an ordinance or resolution of the City in the same manner as if the Mayor had approved it, unless the City Council by an adjournment sine die, or for a period exceeding one month, shall prevent its return, in which case it shall not be law.

If an ordinance or resolution duly passed by the City Council shall embrace different items of appropriation, the Mayor may approve the provisions thereof relating to one or more items of appropriation and disapprove the others, and in such case those the Mayor shall approve shall become effective and those which the Mayor shall not approve shall be reconsidered by the City Council, and shall become effective if again passed over the veto of the Mayor by the vote as above prescribed for the passage over the veto of the Mayor of entire ordinances or resolutions. The procedures governing the Mayor's veto of an item of appropriation and the Council's reconsideration of that item shall be the same as those in this section that govern the passage, veto, reconsideration and override of ordinances and resolutions.

§ 6. Appointments of municipal officers.

(a) *Appointment subject to confirmation.*

Except as otherwise provided in the Charter, the Mayor shall have the sole power of appointment of all municipal officers, subject to confirmation by the City Council by a majority vote of its members; provided the Council shall take action on the nomination within the first three regular meetings of the Council after the nomination is sent to it by the Mayor. If the Council fails to take action within this time, then the person nominated shall be, by operation of this subsection,

(g) *Vacancies – boards and commissions.*

When a vacancy occurs on a board or commission established by this Charter, or other law, the Mayor shall have, for 120 days after the occurrence of that vacancy, the sole power of appointment to the vacant office. Such appointment shall be subject to confirmation by the City Council in the manner prescribed in this section.

If the Mayor fails to submit a nomination within the time prescribed in this subsection, the power of appointment shall vest and be held by the board or commission to which the vacancy shall apply, and that board or commission, by majority vote, shall certify the name of a person to the City Council for confirmation in the manner prescribed in this section.

For the purposes of this subsection only, a vacancy shall occur upon the occurrence of an event enumerated in subsection (f) hereof, and also upon the rejection by the City Council of a nomination to a board or commission.

The first meeting of the Board in every year shall be called by notice from the Mayor or President of the City Council personally served upon members of the Board. Subsequent meetings shall be called as the Board may direct.

(c) *Representatives.*

If a member is unable to attend a Board meeting, that member's representative, as designated in the Charter, may attend and exercise the powers of the member. The Mayor may designate a municipal officer or member of the Mayor's personal staff to represent the Mayor and exercise the Mayor's power at Board meetings in the Mayor's absence.

§ 2. Powers and duties.

The Board of Estimates shall formulate and execute the fiscal policy of the City to the extent, and in the manner provided for, in the Charter. To exercise its powers and perform its duties, the Board may promulgate rules and regulations and summon before it the heads of departments, bureaus or divisions, municipal officers, and members of commissions and boards.

§ 3. Fiscal year; budget schedule.

(a) *Fiscal year.*

The fiscal, budget, and accounting year of the City shall begin on the first day of July and end on the thirtieth day of June in every year unless otherwise provided by law.

(b) *Notice and hearing.*

At least thirty days prior to the adoption by the Board of Estimates of a proposed Ordinance of Estimates the Board shall make public the Director of Finance's recommended operating budget, the Planning Commission's recommended capital budget and long-range capital improvement

program, and the reports of the Director of Finance and Planning Commission on these documents.

Thereafter, the Board shall hold public hearings at which members of the City Council, heads of municipal agencies, and citizens shall have the opportunity to appear before the Board to speak for or against the inclusion of any appropriation in the proposed Ordinance of Estimates.

(c) *Submission to Council.*

The Board of Estimates shall submit to the City Council the proposed Ordinance of Estimates for the next fiscal year at least forty-five days before the beginning of that fiscal year.

(d) *Adoption by Council.*

The City Council shall have at least forty days after receipt of the Board's proposed Ordinance of Estimates to enact an Ordinance of Estimates. The City Council shall adopt an Ordinance of Estimates at least five days prior to the beginning of the fiscal year to which it is applicable if the Board of Estimates submits its proposed Ordinance of Estimates within the period prescribed by Section 3(c).

§ 4. Assistance from Finance Director and Planning Commission.

To assist the Board of Estimates in the preparation of the proposed Ordinance of Estimates:

(a) *Recommendations on agency estimates.*

The Director of Finance shall submit for the consideration of the Board a recommended operating budget, which shall include the estimates submitted by the municipal agencies for the next fiscal year, the recommendations of the Director of Finance thereon, and all other estimates for appropriations to be made in the next fiscal year, other than for capital improvements; provided, however, the estimates for the Fire Department shall include such amounts, if any, as may be determined by a final decision of a board of arbitration convened to arbitrate unresolved negotiations between the City and the certified employee organizations representing the fire fighters and fire officers, as prescribed by existing Section 53 of Article VII.

(b) *Recommendations on capital budget, etc.*

The Planning Commission shall submit for the consideration of the Board a recommended capital budget, a recommended long-range capital improvement program, and a report on both. § 5. Preparation of proposed Ordinance of Estimates.

(a) *Contents.*

After receiving the recommendations of the Department of Finance and the Planning Commission, the Board shall prepare its proposed Ordinance of Estimates, which shall consist of:

- (1) an operating budget: estimates for the next fiscal year of the appropriations needed for the operation of each municipal agency and for all other purposes, other than for capital improvements. These estimates shall state the amounts needed by every municipal agency for each particular program, purpose, activity, or project and the source of funds, if other than general funds, for each.
- (2) a capital budget: estimates of the amounts to be appropriated to each municipal agency for capital improvements in the next fiscal year. The capital budget proposed by the Board also shall include the projects that the Board includes in the first year of its long-range capital improvement program and the source of funds for all capital improvements. However, no capital project shall be included in the capital budget portion of the proposed Ordinance of Estimates submitted by the Board of Estimates to the City Council unless the Board has received and considered the reports and recommendations of the Planning Commission, the Director of Finance, and the Board of Finance with regard to such capital project. The Board of Estimates may establish additional procedures for the development of a long-range capital improvement program and a capital budget.

(b) *Contingent fund.*

The Board may include annually in the proposed Ordinance of Estimates a sum up to one million dollars (\$1,000,000.00) of the General Fund appropriations to be used during the next fiscal year as a contingent fund in case of an emergency or necessity for the expenditure of money in excess of or other than the appropriations regularly passed for any municipal agency.

At least one week before it approves a contingent fund expenditure, the Board shall report to the City Council the reasons for the expenditure.

§ 6. Adoption of proposed Ordinance of Estimates.

(a) *Adoption, submission, and publication.*

After the public notice and hearings prescribed by Section 3(b), the Board shall adopt a proposed Ordinance of Estimates by a majority vote of all the members. The Board shall deliver the proposed Ordinance of Estimates to the President of the City Council and contemporaneously publish a copy of the proposed ordinance in two daily newspapers in Baltimore City.

(b) *Accompanying materials.*

The proposed Ordinance of Estimates that the Board submits to the City Council shall be accompanied by the following materials:

- (1) a breakdown of the amounts stated for each program, purpose, activity, or project of each municipal agency in the proposed operating budget by standard categories of expenditure, for
 - (a) personal services,
 - (b) materials, supplies, and equipment,

- (c) debt service, and
- (d) such other categories as the Board of Estimates may deem advisable.

The personal services category shall include the compensation of every officer and salaried employee of the City; provided, however, that the salaries for employees in the same classification who have a uniform salary or salary range may be combined into a single entry, which shall indicate the number of such employees, their aggregate salaries, and the name or title of the classification.

- (2) a comparison by standard categories of expenditures of the appropriations contained in the proposed operating budget with
 - (a) the amounts requested by the municipal agencies in their budget submissions
 - (b) the amounts appropriated for the current fiscal year and
 - (c) the amounts expended in the prior fiscal year;
- (3) detailed information about the sources of funds to meet the aggregate total of the appropriations contained in the proposed Ordinance of Estimates;
- (4) the long-range capital improvement program adopted by the Board and for each capital project included in the capital budget, the following:
 - a brief description and location,
 - the total estimated cost,
 - the appropriations authorized to date,
 - the appropriations proposed for the next fiscal year,
 - the appropriations required thereafter to complete the project, and
 - the estimated additional annual maintenance and operation cost.
- (5) a statement setting out:
 - (a) the revenues which the City can reasonably expect to receive in the next fiscal year from all existing sources of revenue at existing rates other than the full rate property tax but including amounts believed to be collectible from taxes for prior years and including an estimate of the surplus expected at the end of the current fiscal year;
 - (b) the difference between the revenues expected under (a) above and the total amount of appropriations provided in the proposed Ordinance of Estimates;
 - (c) the estimated taxable basis for the next ensuing fiscal year for the levy of full rate property taxes;

- (d) the rate for the levy of full rate property taxes which, given the revenues expected under (a) above, the total appropriations in the proposed Ordinance of Estimates, and the taxable basis, will be necessary to raise sufficient total revenues to cover total anticipated expenditures;
- (e) new sources of revenue or new rates on existing sources of revenue, and the amounts which can reasonably be expected from each of them, which the Board of Estimates believes should be adopted for the next fiscal year; also the rate for the levy of full rate property taxes which, in view of such new sources of revenue or new rates on existing sources of revenue, will be necessary to bring total expected revenues for the next fiscal year into balance with total anticipated expenditures for the year;
- (6) a message from the Mayor explaining the major emphasis and objectives of the City's budget for the next fiscal year;
- (7) such other information as the Board of Estimates may deem advisable.

§ 7. Enactment of Ordinance of Estimates.

(a) *Introduction; authorized cuts.*

Upon receipt of the proposed Ordinance of Estimates and the accompanying materials, the President of the City Council shall promptly cause it to be introduced in the City Council, and the Council shall thereafter hold public hearings on the proposed Ordinance of Estimates.

By a majority vote of its members, the City Council may reduce or eliminate any of the amounts in the proposed Ordinance of Estimates, except:

- (1) amounts fixed by law;
- (2) amounts for the Fire Department established by a board of arbitration and included in the proposed Ordinance of Estimates; and
- (3) amounts for the payment of the interest and principal of the municipal debt.

(b) *Increases and additions precluded.*

The City Council shall not have the power to increase the amounts fixed by the Board or to insert any amount for any new purpose in the proposed Ordinance of Estimates. If the carrying out of a particular program, purpose, activity, or project depends upon action by a body other than the City, the City Council may insert a specific provision in the proposed Ordinance of Estimates making the appropriation for the particular program, purpose, activity or project contingent upon such action.

(c) *Revenue ordinances.*

As soon as practicable after the passage of the Ordinance of Estimates, the City Council shall enact such revenue ordinances as are necessary to produce sufficient expected revenues, as

estimated by the Board of Estimates, to cover the total anticipated expenditures authorized by the Ordinance of Estimates. The Council may adopt revenue sources or revenue rates other than those proposed by the Board and in each such instance the estimate of the revenue to be yielded by such a source or rate shall be made by the Board of Estimates.

The Board of Estimates shall, taking into account any reductions and eliminations made by the City Council in the anticipated expenditures contained in the proposed Ordinance of Estimates and the revenues to be derived from all existing sources and from any new sources or new rates enacted by the City Council, certify to the Council the difference between the anticipated expenditures for the next fiscal year contained in the Ordinance of Estimates and all expected revenues other than from the full rate property tax. The Board shall then state a rate for the levy of full rate property taxes sufficient to realize the amount required to meet the said difference and the ordinance making the annual levy of full rate property taxes shall fix a rate not less than that stated by the Board so that it shall not be necessary at any time for the City to create a floating debt to meet any deficiency, and it shall not be lawful for the City to create a floating debt for any such purpose.

§ 8. Deficiencies; supplementary appropriations.

(a) Deficiencies.

No temporary loan shall be authorized or made to pay any deficiency arising from a failure to realize sufficient income from all sources to meet the amounts provided in the Ordinance of Estimates, but the City may temporarily borrow money for its use in anticipation of the receipts of taxes levied for any year. In case of any such deficiency the Board of Estimates shall effect reductions (which need not be pro rata) in appropriations other than those for the payment of the principal and interest of the City debt and such amounts as are fixed by law and contained in the Ordinance of Estimates, except to the extent that the City Council shall, upon the recommendation of the Board of Estimates, enact an ordinance which shall supply revenues to meet all or any part of such deficiency. No emergency loan shall be made except in accordance with the provisions of Article XI of the Constitution of Maryland.

(b) Supplementary appropriations — when authorized.

Except as provided herein, the Ordinance of Estimates shall include all the moneys to be appropriated by the City for all purposes for the fiscal year for which the ordinance is applicable.

Additional appropriations shall be permitted during the fiscal year only in the following circumstances and under the following conditions:

(1) Excess revenues.

Revenues from any source other than the full rate property tax and other taxes imposed under the authority of Article II, in excess of or in addition to those relied upon by the Board of Estimates in determining the tax levy required to balance the budget, may be made available for expenditure by the municipal agency responsible for the production of such revenues by a supplementary appropriation ordinance recommended to the City Council by the Board of Estimates, duly passed by the City Council by a majority vote of its members and approved by the Mayor.

(2) *Unanticipated grants.*

Grants from private or governmental sources which could not be expected with reasonable certainty at the time of the formulation of the proposed Ordinance of Estimates may be made available to the appropriate municipal agency for expenditure by a supplementary appropriation ordinance recommended to the City Council by the Board of Estimates, duly passed by the City Council by a majority vote of its members and approved by the Mayor.

(3) *Material changes; new programs.*

Further appropriations for programs included in the proposed Ordinance of Estimates made necessary by a material change in circumstances, or additional appropriations for new programs which could not reasonably be anticipated at the time of the formulation of the proposed Ordinance of Estimates may be made available to the appropriate municipal agency for expenditure by a supplementary appropriation ordinance recommended to the City Council by the Board of Estimates, duly passed by the City Council by a vote of three-fourths of its members and approved by the Mayor.

(c) *Supplementary appropriations — requisites of ordinance.*

Every such further or additional appropriation shall be embodied in a separate ordinance limited to a single program, purpose, activity or project therein stated, and each such supplementary appropriation ordinance shall also, anything contained in the Charter to the contrary notwithstanding, provide the revenue necessary to pay the appropriation by a source, other than the full rate property tax, imposed under the authority of Article II. The revenue shall be levied and collected as directed in the ordinance. The estimate of the revenues to be derived from any source proposed in a supplementary appropriation ordinance shall be made by the Board of Estimates.

§ 9. Uses of appropriations.(a) *In general.*

Following the passage of the Ordinance of Estimates and the enactment of the revenue measures necessary to achieve a balance between expected revenues and anticipated expenditures for the next fiscal year, the sums contained in the Ordinance of Estimates shall, after the beginning of the fiscal year to which it is applicable, be and become appropriated for the purposes therein named.

No appropriation provided for in the Ordinance of Estimates shall be used for any purpose other than that named in that ordinance, except:

- (1) the Board of Estimates may increase the amount for a particular program, purpose, activity, or project or introduce an amount for a new program, purpose, activity or project by transferring thereto amounts already appropriated to that agency; and
- (2) upon the recommendation of the Board of Estimates, the City Council by ordinance may authorize the transfer of an appropriation contained in the Ordinance of Estimates from one municipal agency to another municipal agency;

provided, however, that new or different amounts for capital projects from those stated in the capital budget portion of the Ordinance of Estimates shall not be authorized unless the Board of Estimates has received and considered the reports and recommendations thereon of the Planning Commission and the Director of Finance.

(b) *Expenditure schedule.*

Upon the authorization of the Board of Estimates and under procedures established by the Board, the Director of Finance shall establish an expenditure schedule, applicable to any or all municipal agencies whenever, in the opinion of the Board, financial conditions warrant such budgetary allotments.

(c) *Carry-overs; lapses.*

- (1) Appropriations contained in the Ordinance of Estimates for a particular program, purpose, activity, or project may, upon the recommendation of the head of the municipal agency concerned and the Director of Finance, and with the approval of the Board of Estimates, be carried over to fiscal years subsequent to the one for which the appropriation is initially made if necessary to accomplish that program, purpose, activity, or project.
- (2) Funds encumbered for contracts, projects or other actual commitments and funds dedicated by any act of Congress or by State law or by the terms of any private grant to some specific purpose shall be carried over to the next fiscal year.
- (3) All appropriations not so carried over shall lapse at the end of the fiscal year from which made, except as provided in paragraph (4) of this subsection.
- (4) Any balance remaining in the fund of the water, sanitary wastewater, or stormwater utility (under Section 18 of this article) at the end of the fiscal year shall remain to the credit of that utility and an estimate of that balance shall be included in that utility's budget for the next year as an estimated receipt.

(d) *Surpluses.*

- (1) In case of any surplus arising in any fiscal year by reason of an excess of revenue over the expenditures (including any appropriation carried over) for that year, the surplus shall become a part of the general revenue of the City and shall be available for the general expenditures of the City for the next fiscal year, in accordance with the Ordinance of Estimates for that year. An estimate of the surplus shall be made by the Board of Estimates and included in expected revenues for the next year.
- (2) However, any surplus or retained earnings of the water, sanitary wastewater, or stormwater utility fund (under § 18 of this article) at the end of the fiscal year shall remain to the credit of that utility and the estimate of that balance shall be included in that utility's budget for the next year as an estimated receipt.

(Res. 10-019, ratified Nov. 2, 2010; Res. 12-004, ratified Nov. 6, 2012.)

§ 10. Salaries.(a) *In-term increases or decreases — in general.*

- (1) In preparing the Ordinance of Estimates, the Board of Estimates may increase or decrease the salaries of all municipal officers, except:
 - (i) the elected officials subject to Article VII, §§ 117 through 125 of this Charter; and
 - (ii) the appointed municipal officers who serve as members of the Board of Estimates,
- (2) If the salary of an appointed municipal officer is so increased or decreased, it may not again be increased or decreased, as the case may be, during that officer's term.

(b) *In-term increases or decreases — Board members.*

- (1) The Mayor and City Council may, by ordinance, increase or decrease the salaries of the appointed municipal officers who serve as members of the Board of Estimates.
- (2) If the salary of an appointed municipal officer on the Board is so increased or decreased, it may not again be increased or decreased, as the case may be, during that officer's term.

(c) *Employment contingent on appropriation.*

No person shall be appointed or employed as a paid municipal officer or employee unless an appropriation to cover that person's compensation is included in the Ordinance of Estimates;

provided, however, that this provision shall not apply to:

- (1) appointments or employments approved by resolution of the Board of Estimates, where funds are available for payment of the designated compensation; and
- (2) persons whose appointment or employment is to be made and whose compensation is to be fixed by the Board of School Commissioners as provided in Section 63 of Article VII.

(d) *Increases beyond Ordinance of Estimates.*

Except in cases of promotion, the salary or compensation of no officer or employee of the City shall be increased beyond that set forth in the materials accompanying the proposed Ordinance of Estimates unless the increase be approved by the Board of Estimates upon the recommendation of the head of the agency concerned, and funds therefor are available in the appropriation allotted in the Ordinance of Estimates to the agency in question;

provided, however, that the Board of Estimates may adopt rules and regulations governing increments to be granted to employees whose classifications call for an annual increment until the maximum of such classification is reached;

provided, further, that nothing in this provision shall affect the power conferred by Section 63 of Article VII upon the Board of School Commissioners.

(e) *Payment intervals.*

The salaries of all municipal officers and employees, whether or not fixed by the Charter, shall be paid at such intervals, but not less frequently than semi-monthly, as the Board of Estimates may determine from time to time.

(Res. 05-009, ratified Nov. 7, 2006.)

§ 11. Procurement.

(a) *Board of Estimates responsible.*

The Board of Estimates shall be responsible for awarding contracts and supervising all purchasing by the City as provided in this section and elsewhere in the Charter.

(b) *Authority of City Council.*

(1) By ordinance passed by two-thirds of the City Council members, the Mayor and City Council shall set the dollar thresholds for:

(i) contracts that must be formally advertised; and

(ii) contracts that must be approved by the Board of Estimates.

(2) Pending enactment of an Ordinance under this subsection, the Board of Estimates shall set initial threshold amounts. Those initial amounts shall remain in effect until different amounts have been set by Ordinance under this subsection.

Editor's Note: Initial threshold amounts were set by Board of Estimates Resolution adopted December 22, 2010, as follows: § 11(c), which requires formal advertisements, applies to procurements involving expenditures of more than \$50,000. § 11(f), which requires contracts to be approved by the Board of Estimates, applies to contracts involving expenditures of more than \$25,000.

(c) *Formal advertisement.*

In contracting for any public work, or the purchase of any supplies (unless otherwise provided by ordinance for foodstuffs and related perishables), materials, equipment, or services other than professional services, for the City or by any municipal agency, involving an expenditure of greater than the threshold set under subsection (b) of this section, advertisements for proposals shall first be published at least twice in two or more newspapers of general circulation published in Baltimore City, and published electronically to the public, unless otherwise provided by the Charter. The first publication shall be made not less than 10 nor more than 90 days prior to the day set for opening the bids.

(d) *Professional services.*

All professional services contracted for by the City shall be engaged in the manner prescribed by resolution of the Board of Estimates.

(e) *Emergencies, etc.*

However, the purchase may not be made, nor may the City incur any obligation for it, until approved by the Board of Estimates after considering the recommendation of the Department of Finance. When practicable, the City's intent to make a purchase under this exception shall be posted electronically to the public for comment prior to the approval of the purchase by the Board of Estimates.

A full report of any this action shall be promptly submitted to the Board of Estimates.

However, whenever

alternative bids are invited for two or more different things, then, after all bids have been opened, the Board may select the particular item that will be procured, and shall award the contract to the lowest responsive and responsible bidder or in the case of Requests for Proposals to the highest scoring responsive and responsible bidder for that particular item.

- (iii) In the event of tie bids, the using agency, with written notice to the Department of Finance, shall make a written recommendation and report to the Board of Estimates setting forth all pertinent considerations and the reasons for its recommendation. The Board, after also considering the recommendation of the Department of Finance, may then award the contract in its discretion, as long as the total cost to the City does not exceed the amount of the tie bid.
 - (iv) Once filed, bids are irrevocable.
 - (v) Any recommendation that is made by any municipal agency to the Board of Estimates as to the appropriate award to be made by the Board is advisory only and not binding on the Board.
 - (vi) Notwithstanding the competitive bid provisions of this Charter, the Board of Estimates may adopt rules and regulations that establish uniform procedures for providing, on a neighborhood service, neighborhood public work, or neighborhood public improvement contract, limited bid preferences to responsive and responsible bidders who are residents of, or have their principal places of business in, that neighborhood.
- (2) (i) All bids for construction contracts let for the Department of Public Works, the Department of General Services, and the Department of Transportation and any other contracts for public works shall be accompanied by a check or bid bond. For all other contracts, the Director of Finance shall implement policies and procedures to determine whether a bid bond is required for a contract, the term and face value of the bond, and the manner in which the bond shall be provided and refunded.
- (ii) Except as otherwise provided in this paragraph (2), the check shall be a certified check of the bidder, a bank cashier's check, or a bank treasurer's check, drawn on a clearing house bank. In the case of bid checks of \$5,000 or less, the check may be of any type drawn on any banking institution of the United States.

For all other contracts, the Director of Finance shall implement policies and procedures to determine whether a performance bond is required for a contract, the term and face value of the bond, and the manner in which the bond shall be provided.

(iii) The bond, letter of credit, or certification shall be:

1. in an amount equal to the full contract price; or
2. for each year in a multi-year contract (other than a construction contract), in an amount equal to the estimated contract price for that year, as determined by the Director of Finance.

(iv) Any successful bidder who fails to execute promptly and properly the required contract, performance bond, irrevocable letter of credit, or certification, as applicable, shall forfeit the amount deposited, or an equivalent amount under the bid bond. This amount shall be taken and considered as liquidated damages and not as penalty for the bidder's failure.

(4) When the successful bidder executes the contract and, if required, the performance bond, the bid checks shall be returned to all bidders or the equivalent amounts charged against their bid bond shall be released. If the City has deposited bid checks, the City shall reimburse these bidders in the amounts of the bid checks.

(5) If a bidder is not required to file a bid bond under the policies and procedures adopted by the Director of Finance and the bidder fails to execute and perform any contract awarded to that bidder, the exempted bidder shall forfeit the right to bid on any future City contract for a period of time determined by the Board of Estimates, and shall be liable for any costs incurred by the City as a result of the default.

ARTICLE VIII FRANCHISES

§ 1. Authority to grant.

The title of the City in and to its waterfront, wharf property, land under water, public landings, wharves and docks, streets, lanes, and parks, is hereby declared to be inalienable.

The City may grant for a limited time and subject to the limitations and conditions contained in the Charter, specific franchises or rights in or relating to any of the public property or places mentioned in the preceding sentence; provided that such grant is in compliance with the requirements of the Charter, and that the terms and conditions of the grant shall have first been authorized and set forth in an ordinance duly adopted.

Every such grant shall specifically set forth and define the nature, extent and duration of the franchise or right thereby granted, and no franchise or right shall pass by implication under any such grant; and, notwithstanding any such grant the City shall at all times have and retain the power and right to reasonably regulate in the public interest the exercise of the franchise or right so granted; and the City shall not have the power by grant or ordinance to divest itself of the right or power so to regulate the exercise of such franchise or right.

§ 2. Procedures; compensation; minor privileges.

Whenever an ordinance is introduced into the City Council pursuant to the provisions of Section 1 of this Article VIII, which ordinance shall contain all the terms and conditions of the proposed grant, including a provision as to the rates, fares and charges, if the grant provides for the charging of rates, fares or charges, and a provision that the franchise or right shall be executed and enjoyed within six months after the grant, it shall, after the first reading, be referred forthwith to the Board of Estimates. The said Board shall make diligent inquiry as to the money value of said franchise or right proposed to be granted and the adequacy of the proposed compensation to be paid therefor to the City as offered in said ordinance, and the propriety of the terms and conditions of said ordinance, and said board is empowered to increase the compensation to be paid therefor to the City and to alter the terms and conditions of said ordinance, including the space in or over which the franchise or right is proposed to be granted and the person to whom the franchise or right shall be granted, provided such alterations are not inconsistent with the requirements and provisions of the Charter, and it shall be the duty of said Board to fix in said ordinance the said compensation at the largest amount it may be able to obtain, by advertising or otherwise, for said franchise or right, and no grant thereof by the City Council shall be made except for the compensation and on the terms approved by vote or resolution of the said Board, entered in the minutes or records of said Board and attached to said ordinance with the signature of a majority of said Board signed thereto, and in the absence of such vote or resolution of said Board said proposed ordinance may not be passed but shall lapse and be void.

Provided, that the right to use the streets, or other public property, by any person for steps, porticoes, bay windows, bow windows, show windows, signs, columns, piers, or other projections or structural ornaments of any character except so far as the same may be prohibited by law, and covered vaults, covered areaways, drains, drainpipes, or any other private purpose not prohibited by law or ordinance and not being a franchise or right requiring a formal grant by ordinance, may be granted

by the Board of Estimates for such an amount of money and upon such terms as the said Board may consider right and proper without the necessity of an ordinance or advertising. The applicant for any such right shall make written application therefor to the Board of Estimates, stating therein the use desired and the amount he proposes to pay therefor. Before filing the application with the Board of Estimates, the applicant shall serve copies thereof on the owners of the adjoining properties. The use applied for shall be enjoyed only on the payment of the consideration fixed by said Board and on the terms and conditions prescribed by it in writing, which terms and conditions, including the consideration charged therefor, may be changed from time to time by the Board — but with respect to “permanent” minor privileges, as defined in Section 9 of this Article VIII of the Charter, only after reasonable notice to the holder of the privilege and opportunity to him to be heard before the Board or its designated representative — and provided further, that all grants of minor privileges shall also be subject to the provisions of said Section 9 of this Article VIII. The Board of Estimates may delegate to any department or other municipal agency, and such department or other municipal agency shall exercise, any administrative powers and duties relating to minor privileges.

§ 3. Duration.

No franchise or right in relation to any street, either on, above or below the surface of the same, or franchise or right with respect to any other public property, shall be granted by the City to any person for a longer period than twenty-five years, but such grant may, at the option of the City, provide for giving to the grantee the right (on fair revaluation, including in such revaluation the value derived from the said franchise or right) to renewals not exceeding in the aggregate twenty-five years.

Regardless of the number of previous grants of a given franchise to its holder, or the number of years such holder may have held the same, the City may renew the same to him on the same or different terms from that theretofore granted, including an increase or decrease of the consideration or charge therefor, provided always, no grant by the City of a franchise or right in, over or under any part of its public property, whether an original grant or a renewal thereof, shall (save for a possible provision for renewals in accordance with the first sentence of this section) create a term therefor or a right to obtain a renewal of said term extending more than twenty-five years from the date of the ordinance granting or renewing the same, as the case may be.

Any grant of a franchise may provide that upon the termination of the said franchise or right granted by the City, the plant, as well as the property of the grantee situated in, above or under the streets or other public property aforesaid with its appurtenances, shall thereupon be and become the property of the City, without further or other compensation to the grantee; or such grant may provide that upon such determination, there shall be a fair valuation of the plant and property, which shall be and become the property of the City at its election, on paying the grantee said valuation. If, by virtue of the grant, the plant and property are to become the property of the City without money payment therefor, the City shall have the option either to take and operate the said property on its own account, or to renew the said grant for not exceeding twenty-five years on a revaluation or sell the same to the highest bidder at public sale. If the original grant shall prescribe that the City shall at its election make payment for such plant and property, such payment shall be at a fair valuation of the same as property, excluding any value derived from the franchise or right and if the City shall make payment for such plant and property, it may, in that event, operate the plant and property on its own account for five years, after which it may determine either to continue such operation on its own account or to lease the said plant and property and the said franchise or right to use the streets, or other public property in connection therewith, for limited periods, not to exceed twenty-five years

from the date of the grant, under such rules and regulations as it may prescribe, or to sell the plant and property to the highest bidder at public sale.

Every grant of any such franchise or right shall make provision, by way of forfeiture or otherwise, for the purpose of compelling compliance with the terms of the grant, and to secure efficiency of public service at reasonable rates, and the maintenance of the property in good condition, throughout the full term of the grant. The grant shall also specify the mode of determining the valuations and revaluations which may be provided for therein.

§ 4. Street railways.

The Board of Estimates, subject to ratification and approval by ordinance, is empowered to agree with any street railway company for the surrender of any of its franchises, easements or rights-of-way, and in substitution for the franchise, easement or right-of-way so surrendered to grant a new franchise, easement or right-of-way on any street, and which may be for the same duration as the franchise, easement or right-of-way surrendered; and to provide, in appropriate cases, for a graduated park tax, as prescribed by Chapter 566 of the Acts of the General Assembly of 1906.

§ 5. Trackless trolleys.

The City may, by ordinance, permit any street railway company to operate under its existing franchises vehicles propelled by electricity furnished by overhead wires but not operated upon rails, and any such grant heretofore made is hereby ratified and confirmed.

§ 6. Advertising.

Before any grant of the franchises or right to use any street, or other public property, either on, above or below the surface of the same shall be made, the proposed specific grant, except as provided in the second paragraph of Section 2 of this Article VIII, embodied in the form of a brief advertisement, prepared by the Board of Estimates, at the expense of the applicant, shall be published by the Comptroller for at least three days in one daily newspaper published in Baltimore City to be designated by the Board of Estimates, and all the provisions of the first paragraph of Section 2 of this Article VIII shall be complied with.

§ 7. Reservation of rights.

When the grant of a franchise or right is made in compliance with the foregoing sections, the City shall not part with, but shall expressly reserve the right and duty at all times to exercise in the interest of the public full municipal superintendence, regulation and control in respect to all matters connected with said grant and not inconsistent with the terms thereof.

§ 8. Renewals.

Sections 1, 2, 3, 6, and 7 of this Article VIII shall apply to any renewal or extension of a franchise, whether to the same grantee or to others.

§ 9. Minor privileges.*(a) Temporary minor privilege charges.*

Beginning with the year 1935, the amount of the lien of the City for charges for temporary minor privileges, as hereinafter defined, shall be limited to the amount of the charge therefor for the last calendar year for which made. The person to whom such temporary minor privilege is granted shall be personally liable to the City for the amount of such charges. If any such charge is not paid by April 1st of the year succeeding that in respect of which the charge was made, the Department of Finance shall record the lien for such previous year's charge in the tax lien record, where it shall continue to be a lien, until paid, upon the property on which such minor privilege is located. The Department of Finance may proceed to enforce the liability above provided for or to sell the property in satisfaction of such lien under the provisions of Article 81 of the Code of Public General Laws of Maryland.

(b) "Temporary" and "permanent" defined; procedures.

Temporary minor privileges are those in the nature of awnings, barber poles, signs, skids, clothes racks, sidewalk displays and vending machines and the like, which can be removed without a material alteration of the property where the said privilege is located.

Permanent minor privileges are those in the nature of steps, porticoes, bay windows, bow windows, show windows, columns, tiers, covered vaults, covered areaways, drains or drainpipes, and the like which cannot be removed without a material alteration of the property where the said privilege is located.

The procedure for granting minor privileges is set forth in Section 2 of this Article VIII.

(c) Savings clause.

Nothing contained in this section shall affect the payment or collection of any minor privilege charges, temporary, or permanent, accruing before the year 1935 or the payment or collection of charges for permanent minor privileges during and after the year 1935. As to any of such charges which are not paid when due, the Department of Finance may institute suit against the holder of the privilege and the owner of the property at the time the charge arose, and shall record them in the tax lien record, and they shall remain a lien until paid and may sell the property at which the privilege is located under the provisions of said Article 81.

(d) Designation by Board of Estimates.

In issuing minor privileges the Board of Estimates shall designate the same as being "temporary" or "permanent" as defined in this section.

(b) *Civil Service status.*

§ 6. Ordinances, orders, regulations.

All ordinances and all orders, rules and regulations heretofore made in accordance with law by any municipal agency, insofar as the same are not in conflict with the provisions of the new Charter, shall remain in full force and effect until revoked or modified by agencies of the City empowered by the new Charter or otherwise by law, to repeal or amend the same.
