

**CITY OF BALTIMORE  
MONTEBELLO FILTRATION PLANT REMOVAL AND  
DISPOSAL OF RESIDUALS  
WATER CONTRACT NO. 8612**

**Curran Drive** and the Temporary Recreational Parking Area is **open for recreational use**. The area open for public use is clearly delineated with the use of Jersey barriers and an 8' tall chain link fencing. You are able to access Curran Drive from 32nd street to Harford Road. **Whitman Drive** is **completely off limits to the public** due to construction activities. This stage of the Project will last 18 months then final restoration will take place.
